

# Project Value Statement

Event Name: \_\_\_\_\_

Student/Team ID: \_\_\_\_\_

Students, with this form you have the opportunity to inform judges of the unique strengths and values of your project. Complete the following prompts to discuss why your project accurately displays skills needed by workers in the 21<sup>st</sup> century, in order to give the judges a better opportunity to accurately assess your work.

Judges, please note that the features described in the following form are to both recognize the specific intent and perspectives of the participant's project and aid you in judging their submission.

In **three concise sentences** for each element, please describe two unique elements of your project which you feel define its value and why.

1.

2.

\*Judges, please note that this form is completely supplemental and **DOES NOT** account for any additions or subtractions in regards to points\*

**THIS IS NOT PART OF THE GO/NO-GO CHECKLIST**
