Virginia TSA

SUBJECT: Leadership Academy
November 22-24, 2019
Brethren Woods Camp and Retreat Center
Keezletown, VA

We are pleased to announce that Fall Leadership Academy will be held November 22-24, 2019 at Brethren Woods Camp and Retreat Center in Keezletown, VA. The Fall Leadership Academy will provide an opportunity for students to increase their knowledge about technology and leadership in TSA. Students and teachers will receive two nights lodging, four meals and a camp tee-shirt in the price of registration, while the students will also be able to take part in leadership sessions and leadership activities planned and provided by the executive state officer team.

The executive state officers have planned exciting activities based on the theme Amazing Race, Into the Woods. Onsite check-in will begin at 5:30 p.m. on November 22, 2019. The opening general session will start promptly at 7:30 p.m. Following the general session, the students will participate in a special session with the officers before calling it an evening on that Friday. On Saturday, there will be leadership sessions for the students to attend of their choosing and some activities outside including some low ropes course, climbing wall and archery to name a few of the outside activities. Of course all three meals will be provided on Saturday. Sunday morning you will be served breakfast before the closing ceremony to culminate the end of the weekend. The executive team feels that this Leadership Academy will be one to remember.

Registration for the Leadership Academy is \$120.

It is important to preregister so that we can insure proper materials are provided

onsite. We look forward to seeing you there!
