

# Food Bank Challenge

*Virginia TSA is  
challenging your  
chapter...*

**Virginia TSA is conducting a food drive that we hope will make a major impact on food banks that are experiencing critical shortages because of the economy. We are asking each chapter to donate a minimum of 5 non perishable items at their perspective Regional Fair.**

**The Region with the most items (per capita) will be recognized at the State Conference, April 23-25, 2010.**

**Please submit a chapter donation form, signed by your principal, with your donation.**
